

# PRAY FIRST

Kia Ora Whanau,

We are so grateful to be doing life with you all. Last year for the first time we joined together to "pray first" for 21 days at the start of the year. We had such a great response and loved it so much we couldn't wait to do it again. So let's start 2021 off focused and expectant to see greatness upon his church. Let's stop to "Pray First".

## EVERY DAY PRAYER FOCUS

For each and every we day pray together over these 21 days we'd love you to first take 5-10mins to pray into these things.

- Start by giving God Thanks and Praise for who he is.
- Pray for Jesus to be known. For a greater understanding of his gospel message.
- Pray for an increase of salvation, that people would have healing, freedom and purpose.
- Pray for a permanent location for our church.
- Pray our faith and trust in God would grow this year.
- Ask God to show you what's next for you.

(Why not make those a morning routine for the next 3 weeks)

Then on the following pages, you will find a specific prayer focus for each day. You can pray for these any time of the day. The main thing is that you take some time out, find a place to settle and pray again for 10min or more.

You will also see in red we have some opportunities to gather together and pray. This is really encouraging to pray together and hear what God has placed on our hearts.

Together we'll be blessed, strengthened and encouraged.  
Believing with you for a great future.

Aroha nui  
Ps. JP and Karen
